ABCC Approvals: Septembers, 92 View St-Transfer and Alteration of Premises

Y Cafe- Claire Robillard is going to attempt to reopen. She has been told we need a lease agreement for the space and a Certificate of Inspection along with the renewal forms.

A Change of Location application requires a Certificate of Occupancy from the Building Department. The Building Department won't inspect the premises until the applicant has stocked the store. Will an application on file with the Building Department be sufficient to hear the application and then the license will be issued only after we have a Certificate of Occupancy? The Commissioners agree that an application on file will be sufficient to proceed with the application.
